

XORCONF SECURITY CONFERENCE

17-18 October 2015 | Kochi, Kerala

About XORCONF

XORCONF is an annual international security conference conducted in God's Own Country, Kerala. It is a platform for security researchers, hackers, enthusiasts, professionals and students. We promote security research and provide deep technical trainings on various security domains. Our awesome speakers are packed with mind-blowing research in the field of computer security. We do not compromise on quality and show our best efforts to keep the talks 100% technical. XORCONF keeps the legacy of DEFCON DCG Kerala and is backed by the same team.
